Wants of our cause in Mexico for 1888-4.

We must enlarge our operations.

1. We need \$5000. for church edifice fund.

We can purchase a lot and build a house ~~for~~ⁱⁿ Sattillo with \$4000.

We can erect four chapels adequate for the wants of the churches in Minisquir, Sabinas, Juarez and Progreso, or Lampazos, with \$1000.

2. Bro. Flury needs \$25. per month to pay house rent and to employ a native assistant. His field extends over a large territory.

3. I recommend the appointment of Inez Castillo as Colporteur to take the place of Merced Flores, which position Castillo is temporarily filling.

4. Lebonita Renteria as bible-woman in Sattillo, at salary of \$30 per month.

Dr Bro

Replying to yr favor
of the 5th Inst I remark

1st That we may understand the
matter clearly. There are now
under you in my pay for 1888
3 Collectors at \$15⁰⁰ per month — \$540.00
2 — — — 25 — — — 600.00

and I wish you to find 2
more to begin work in Jan'y &
now if you can find me more
making to begin in Jan'y 88

3 Collectors at 25⁰⁰ per month \$ 900.00
making for the year 88 under pay ment \$ 2040.00

2^d I have supposed that you would want
the new collectors to go into new fields
when their expenses would render it
needful for the salary to be \$25⁰⁰ per month
If otherwise you can increase the number

of collectors to care the amount of money
designated, I trust you will obtain young
~~single~~ unmarried men, with capacity for
the work, and when ~~travels~~ ^{are} fully given
to it, and that you will give them such
instructions as your experience & observation
have shown to be useful to accomplish
the greater amount of good.

I feel that I should continue the two
collections in my way in Cuba as
there is great need there for labour, and
many difficulties are thrown in the way
by the priests, & I will send early
in June 1st Salary \$50⁰⁰ In previous letter.
I think I notified you of transfer of the
collection to your charge who hitherto had
been under Bro Saffers. He constitutes one of
the three at \$15⁰⁰.

SHIPPERS, READ THIS CONTRACT BEFORE ACCEPTING.

Illinois Central Railroad Company.

ORIGINAL

BILL OF LADING.

No.

190

Received by the **ILLINOIS CENTRAL RAILROAD COMPANY**

From the goods or packages mentioned below (contents and value unknown), in

apparent good order, except as noted, consigned as marked and numbered in the margin, to be transported to at the rate named below, (provided the contents of said packages are correctly stated in this Bill of Lading) and delivered in like good order and condition to the consignee, if consigned to a station on its own railroad, or to a Carrier whose line may be a part of the route to the place of destination, it being distinctly understood that its responsibility shall cease when it delivers the same to the consignee or to the Carrier.

This Contract is subject to the following conditions, which are agreed to by the Shipper in consideration of the waiver by this Company of its right to require prepayment of freight, or if freight is prepaid, in consideration of the issuance by this Company of this Bill of Lading.

When the contents of packages are not properly represented by the Shipper, it is agreed that upon the actual contents of the packages, the published rate of the Carrier or Carriers over whose line the goods pass to destination is the only rate guaranteed.

When the words "Owner's Risk" or the letters "O. R." are noted on this Bill of Lading, the owner assumes the risk of all loss of or damage to the property in the course of transportation, except that arising from negligence of the Carrier, its agents or employees and releases the Carrier from liability for all loss or damage not arising from such negligence.

When this Bill of Lading bears a notation showing that the valuation of the property is fixed at a certain amount, it is agreed that the value does not exceed such amount, and that any Carrier which may be liable for loss of or damage to the property shall not be bound to pay more than such amount.

When the words "Shipper's Load and Count," are noted on this Bill of Lading, it is an acknowledgment on the part of the Shipper that the Carrier is not liable, directly or indirectly, for loss or damage arising from improper stowage or defective or insufficient packages, or for any discrepancy in count or quantity, and said goods or packages shall not be considered in the possession or custody or at the risk of the Carrier until removed by the Carrier from the premises of the Shipper, and until such removal, no responsibility shall attach to the Carrier, but the said goods and packages shall be considered in the possession and custody and at the risk of the Shipper.

When the goods or packages are consigned to a station where the Carrier has no agent, the Shipper authorizes and directs that the Carrier shall upon the arrival of the train, by day or by night, and regardless of the weather, deposit the goods or packages upon the platform, whether there be any one there to receive them or not, and the Shipper agrees that the Carrier's liability shall end upon such deposit, and that such deposit shall be considered a delivery to the consignee.

This Company shall not be responsible for the leakage of any kind of Liquors, breakage of any kind of glass, Carboys of Acid or articles packed in glass, Stoves or Stove Furniture, Castings, Machinery, Carriages, Furniture, Musical Instruments of any kind, Packages of Eggs, or for rust of iron or Iron Articles, or for the condition of baling of or loss or damage on Hay, Hemp, Cotton or any article whose bulk renders it necessary to transport on open cars, or for damage to perishable property of any kind occasioned by delays from any cause or by change of weather, nor for any loss of weight of Grain or Coffee in bags, or Rice in tierces, nor for loss of Nuts in bags, nor for loss or damage attributable to causes arising from the Act of God, or for loss of Flour or any other property caused by bad or insufficient cooerage, or for loss or damage on the lakes or rivers, unless it can be shown that such damage or loss occurred through the negligence of the agents or employees of this Company. It is further agreed, that for all actionable loss or damage occurring in the transit of the property, the legal remedy shall be against the particular Carrier only in whose custody the same may actually be at the time of the happening thereof. In the event of the loss of any property for which any Carrier may be responsible under this Bill of Lading, the value or cost of the same at the point and time of shipment is to govern the settlement, unless the valuation is otherwise fixed in this Bill of Lading. All packages subject to charge for cooerage, if necessary.

This Company shall not be responsible for loss or damage by accidents or delays from unavoidable causes; nor for delay, loss or damage caused by strikes or riots, or by quarantine or custom house regulations.

Claims for loss or damage must be made in writing to the Agent at point of delivery promptly after arrival of the property, and if delayed for more than thirty days after the delivery of the property or after due time for the delivery thereof, no carrier hereunder shall be liable in any event. No suit or action shall be commenced against any carrier for the recovery of any claim for loss or damage except within two years after the loss or damage shall accrue; and should any such suit or action be commenced after the expiration of the said two years, the lapse of time shall be taken and deemed conclusive evidence against the validity of such claim.

All property shall be subject to transfer en route, as the necessities or convenience of any Carrier requires.

Each Carrier over whose line the said goods shall pass in the course of transportation is released by the Shipper of said goods from all claims for damage by chafing in transit. It is expressly understood and agreed that shipments of carload or less than carload freight requiring the entire use of a car will be subject to car service charges according to the current rules and regulations of the forwarding railroad, when cars are detained over 48 hours in loading; to car service charges, according to the current rules and regulations of the road upon which cars may be held over 48 hours at any point for directions from shipper or consignee; and to car service charges, according to current rules and regulations of the road delivering the freight at point of destination, if detained over 48 hours in unloading. Freight held over 48 hours on the platforms or in the warehouses of railroads for forwarding directions, and freight unloaded and held on the premises of the railroad at destination which is not removed within 48 hours after arrival, will be sent to a public storehouse at expense and risk of owner, or held by the railroads subject to storage charges at rates current and in force where such charges accrue. All car service and storage charges, together with freight charges, shall become a lien upon the freight. The liens herein provided for may be enforced by sale as in case of pledge.

☒ THIS BILL OF LADING must be presented without alteration or erasure.

☒ THE ORIGINAL BILL OF LADING only is transferable. Copies are furnished for the information of those concerned, but are otherwise valueless, except as evidence that a Bill of Lading has been issued.

Dear Sir:

We are in receipt of your valued favor of recent date enclosing \$4.75, for which please accept thanks. Also your order our #2358 for 19 Oxford books to be sent to C. W. Mc Laurin, Freeman University, Greenville, S. C. We are filling this order at the old price of 15¢ and wish to advise that we will accept your future orders on the basis of our present quantity price on the Oxford series which is 16¢.

We have been compelled to advance our prices slightly owing to our increased cost of manufacture, due to the advance in labor and materials and the shortening of the working hours.

We note that you remitted for these books at the rate of 25¢ each. This will leave a balance to your credit, unless you intended the extra amount to apply on expressage, although you did not say so. We forwarded the goods by express collect.

Trusting this is satisfactory, and thanking you for past favors, we await your further commands.

Yours very truly,

W. B. CONKEY COMPANY.

NOTA: Las cifras anteriores se cree estén correctos. Caso de existir

Sr. Don *William D. Powell*

Muy Señor Nuestro :

México

Tenemos el placer de adjuntar á Vd. el aviso de los dividendos pertenecientes á su póliza, al llegar la misma al primer período de distribución.

La experiencia de muchos años ha demostrado claramente las ventajas, que obtiene el asegurado, si deja los dividendos acumularse, aumentando de ese modo, á interés compuesto, el resultado de su seguro, el que, al ser satisfecho á sus familiares, ascenderá á una suma crecida sin otro desembolso que el de los premios.

Por ello, nos tomamos la libertad de recomendar á los tenedores de pólizas que no retiren los dividendos y que continúen pagando los premios en efectivo.

Somos de Vd.
